**WordWide Language Tutoring Center** teaches international languages to US residents for world peace through casual, fast and fun language education. Our immersion training program is flexible, so that US residents can learn Spanish, French, Italian, German and even Mongolian. This is the school that has partnered with TESOL International to provide English teachers to the world for world peace through language education.

**Word-Wide ESL Institute** teaches English to all the world's peoples -- whether already in the United States or coming to us from other lands. We offer ESL Levels 1 through 6 and TOEFL Levels 1, 2 and 3. We are a post-secondary school with national accreditation and authorized under US Federal law to enroll nonimmigrant alien students (ICE-SEVIS). We teach in small groups of nine students or less to each native-fluent English instructor, making our school the fastest and most affordable place to learn English.
